Form 990 - Additional Information

Mission Statement -- Full

At Halleck Creek we "open the door to the great outdoors" for children and adults with physical, psychological and developmental challenges by using the four strong legs of a horse. We pair gentle, carefully selected horses with special riders, experienced staff and dedicated volunteers to create a dynamic team that carries the riders out of the arena and into the beautiful Marin countryside. Our therapeutic riding programs and equine assisted activities and therapies offer complementary medical benefit for people facing significant health impacts as well as a unique and effective way for these special people to access nature and wilderness terrain.

Form 990, Part I, Line 6

VOLUNTEER STATEMENT:

As a primarily volunteer driven organization we rely on a large, diverse and active volunteer corps to help us deliver our programs and we are grateful for their help. In the last year, monthly volunteer orientation and training sessions were held for approximately 200 youth and adult volunteers. We also offered service-learning programs for schools and other non-profit organizations and a number of local businesses participated in corporate volunteerism days. In 2018, volunteers donated over 13,500 hours to Halleck Creek.

Program participants come from 7 seven Bay Area counties including Alameda, Contra Costa, Marin, Napa, San Francisco, Solano, and Sonoma. Our riders range in age from 4-84, with at least 50% of our ridership being under the age of 18. Participants present with a range of challenges including cerebral palsy, autism spectrum disorder, mood disorders, multiple sclerosis, Down syndrome, blindness, developmental delay and a number of others. They represent broad ethnic, geographic and economic backgrounds. 42% of riders are on scholarship, and over 35% of those receiving scholarship assistance come from households with annual income of \$30,000 or less.

In 2018, in an effort to meet the needs of our community, we launched a formal vocational program for young adults with disabilities to help them develop skills they can take with them into the future. Facilitated by trained staff, the Vocational and Life Skills Program (VALS) provides special needs youth with the opportunity to develop a set of useful life and job skills while also cultivating emotional intelligence. Participants of the VALS program learn valuable life skills by taking part in Equine Assisted Learning (EAL). EAL is an experiential learning approach that promotes the development of life skills for educational, professional and personal goals through equine-assisted activities. VALS participants gain meaningful skills such as an improved ability to follow directions, improved communication skills, increased emotional intelligence and an ability to work on a team. Through working on our ranch and with the horses, they develop animal husbandry skills, as well as gardening and facility maintenance skills.
