Location: Nicasio, California

About Halleck Creek Ranch

Founded in 1977, Halleck Creek Ranch invites people with disabilities, and their families, to live a “life without barriers” through equine-assisted activities and therapeutic horseback riding. Through riding and working with our horses, our program participants experience a unique sense of freedom and mobility, allowing them to imagine the future, and to enjoy the present, in a way they never thought possible. For the volunteers who serve in our programs, their interactions with the participants teach them that people with disabilities can do anything they want to, they just have to do it a little differently. The relationships between our participants, volunteers, and horses establish connections that benefit our entire community.

Experienced and enthusiastic employees are critical to our ability to connect people with disabilities and horses, and to achieve our mission.

Position Summary

The Program Assistant provides direct program support by carrying-out responsibilities in a combination of key areas including riding instruction, program facilitation, and volunteer management.

Duties include teaching therapeutic riding lessons and facilitation of HCR programs through safe and creative instruction planning, execution, and oversight, lesson planning and progress notes; training volunteers; administrative support, and conditioning and training of horses.

Ideal Candidate

The ideal candidate will both possess excellent horsemanship skills, with experience riding and teaching both in an arena and on the trail and be someone with leadership capabilities and strong interpersonal communication skills.

Preferred candidates will have a minimum of two years of riding and horsemanship experience, one year experience working with people with disabilities, and competency in equine behavior, safety and best practices. Candidates who are Certified Therapeutic Riding Instructor (CTRI) with the Professional Association of Therapeutic Horsemanship International (PATH Intl.) are ideal, but not required.

Responsibilities

Program Instruction

- Instruct assigned riding lessons, groundwork classes, and other program activities for students of all ages with disabilities in a timely, professional, and safe manner.
- Develop and teach stimulating, engaging and appropriate lesson plans for each participant, consulting as needed with Program Director and fellow instructors.
- Communicate lesson plan, participant goals and pertinent information to other staff, volunteers, and participants, as appropriate and while maintaining confidentiality.
- Adhere to Halleck Creek Ranch policies and procedures, using the standards set forth by PATH Intl. as a guide for best practices.
- Ensure safe and respectful care and use of HCR horses and equipment, maintaining safety standards for all participants, guests, volunteers, horses, and staff.
- Provide additional program support as needed, including equine and volunteer management.

Volunteer Management

- Develop effective volunteer teams, leveraging the skills and knowledge of team leader volunteers if/when appropriate.
- Assign tasks and duties to volunteers throughout the day, taking into consideration their interests, abilities, and strengths.
- Ensure quality volunteer performance through on-going, on-the-job instruction, training supervision and support of volunteers.
- Conduct quarterly volunteer trainings as assigned.
- Communicate with Program Director and/or Volunteer Coordinator to ensure a sufficient number of trained volunteers for each participant and activity.

Program and Administrative Support

- Develop the daily lesson schedule with assignment of roles and responsibilities, using assigned resources (horses, tack, volunteers, students).
- Prepare written lesson plans for each student and track student progress through written evaluations for each student.

- Assist with assessments of potential equines for the program through on-going evaluation and training during and after their trial period.
- Assist with special events, including holiday events, the annual horse show, fundraisers, and off-site community events.

Additional

- Perform other duties as needed or required.
- Maintain confidentiality of sensitive and private information

Required Qualifications

- Minimum of 2 years of riding and horsemanship experience, including basic horse handling and proper grooming techniques.
- Minimum of 1 year of experience working with people with disabilities.
- Competency in equine behavior and safety.
- Excellent verbal and written communication and interpersonal skills.
- Proficient in Google Drive, Microsoft Office.
- Adaptable, dependable, and self-directed.
- Strong time and task management skills. Ability to carry-out multiple functions.
- Ability to exercise judgment and discretion when handling confidential information.
- Collaborative, team player and self-directed.
- Cultural competency and demonstrated experience engaging diverse groups.
- Ability to pass a background check
- Full COVID-19 vaccination required

Preferred Knowledge, Skills, and Abilities

- Bachelor's degree in related field or minimum of 2 years related work experience.
- CPR/AED/First Aid certification.
- Experience teaching in the Equine Assisted Services (EAS) industry.
- Experience teaching students with developmental/learning/behavioral differences.
- Certification from PATH, Intl. or demonstrated progress toward completion.
- Experience riding in both an arena as well as in a trail setting.
- Experience using data entry software and/or platform.
- Supervisory and training experience.
- Familiarity with HCR mission and programs.

COMPENSATION AND BENEFITS

- \$21.00 - \$25.00/hour, commensurate with experience
- Paid sick leave, workers' compensation
- Plus, opportunities for on-going education and training, and potential mentorship towards becoming a PATH Intl. Certified Therapeutic Riding Instructor (CTRI).

WORK ENVIRONMENT/PHYSICAL REQUIREMENTS

This job operates in a ranch/rural environment. Exposure to dust, elements, animals, grass, weeds, trees, uneven terrain, and those items associated with a ranch environment. The job also operates within a rural ranch office environment requiring the routine use of standard office equipment such as computers, phones, photocopiers, filing cabinets and scanners.

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. While performing the duties of this job, the employee is regularly required to stand, walk, use hands to handle or feel, climb, or balance, stoop, kneel or crawl, talk, speak loudly, hear, as well as lift up to 40 pounds, or lift or move over 40 pounds with assistance. Vision abilities include close vision, distance vision, peripheral vision, depth perception and ability to adjust focus. The position requires regularly working with equipment typically associated with horses. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Potential exposure to a variety of extreme weather conditions while on facility grounds, eg. wind, rain, hail, heat, and wildfire smoke.

To Apply:

Submit resume and a cover letter summarizing why you are interested in the position to mscannell@halleckcreekranch.org. No phone calls please. Cover letter required for review of application.
